

2021 Action Plan

1. Champion the successful **rollout of Cleveland's lead safe certification**
2. Support, evaluate, adapt workforce development, community education, and the hotline operations of the **Lead Safe Resource Center**
3. Support, evaluate, adapt home repair loans, grants, and incentives administration of **Lead Safe Home Loans and Grants**
4. Set and meet fundraising goals for **Lead Safe Home Fund**
5. Advocate for **local, state, and federal investments and policies** to create more lead safe spaces and lead poisoning interventions
6. More broadly, **tell the story of lead poisoning prevention in Cleveland** to bolster community engagement, strengthen the base, and expand membership
