Visit our website at **LeadSafeCLE.org**

**No**  
Keep moving forward!

**2. Check Your Property**  
**Does your property have chipping, peeling, or deteriorated paint?**

**Yes**  
Visible chipping, peeling, and deteriorated paint must be mitigated prior to scheduling your Clearance Examination. You are encouraged to complete an Environmental Cleaning 24-48 hours prior to your clearance examination.

**No**  
You are encouraged to complete an Environmental Cleaning 24-48 hours prior to your Clearance Examination (**HUD Cycle Clean**).

**3. Remediate Lead Hazards (Part A)**  
**Do you plan to apply for a loan or grant?**

**Yes**  
**Apply here!** If you're approved, you can stop here and CHN Housing Partners will work with you on the remainder of the process.

**No**  
If you're not applying, or not approved for a loan/grant, keep moving forward.

**3. Remediate Lead Hazards (Part B)**  
**Do you want to work on your own property?**  
Legally, you (landlord or property manager) must have your Renovation, Repair, & Painting certification to complete work on your property.

**Yes**  
**Follow this link** to sign up to become RRP certified, and complete your own work. Once certified, skip forward to Step 4.

**No**  
Keep moving forward!

**3. Remediate Lead Hazards (Part C)**  
**Have you contacted an RRP contractor?**

**Yes**  
Fantastic, keep moving forward!

**No**  
Follow [this link](#) to contact and secure a certified RRP Professional then move forward!

**4. Clean Your Property**  
**Did you clean your property?**

**Yes**  
Fantastic, keep moving forward!

**No**  
You are encouraged to complete an Environmental Cleaning 24-48 hours prior to your Clearance Examination ([HUD Cycle Clean](#)).

**5. Get Lead Clearance**  
**Have you scheduled your Lead Clearance Examination?** Legally, your Clearance Professional cannot be related to or the same as your RRP Licensed Contractor.

**Yes**  
Legally, your Clearance Professional cannot be related to or the same as your RRP licensed contractor. Once you've scheduled your examination, keep moving forward!

**No**  
You should schedule your examination with a Clearance Professional. [Here's our vetted list of Clearance Professionals](#). Once scheduled, you are ready to move forward!

**5. Get Lead Clearance**  
**Did you pass your Clearance Examination?**

**Yes**  
Congratulations, you can now submit your application! You should submit your pass result to the City of Cleveland [by using this application here](#) to finish the process.

**No**  
You should review what areas of your property failed, and begin the process again. We strongly recommend you to [contact the Lead Safe Resource Center](#) if you have any questions.
